J Infect Dis Antimicrob Agents Vol. 10, No. 1, 1993

Page No. 26: The pictures for Figures 1 and 4 were "flipped" during printing. Therefore, the diseased sites appear to be the opposite of what the captions describe.

Pages No. 27 and 28: Figures 6 and 7 were switched during printing. Therefore, the pictures are not in their proper sequence.

Page No. 36: Figure 1 is upside down.
