Subject Index

(Vol. 22 No. 1-3 January-December 2005)

A		<i>K. pneumoniae</i>	121	O	
Acalculous cholecystitis	127			Ocular bacteria flora	53
<i>Acinetobacter</i>	77	F		One-step ELISA	15
Albendazole	27	Fosfomycin	121		
Antibiotic resistance	53	H		P	
Antimicrobial resistance	9	HBsAg, carrier, pregnant	111	Pandrug-resistant <i>Acinetobacter</i>	
		Hepatitis B virus	111	<i>baumannii</i>	1
B		Hepatitis C virus, pregnancy	115	Penicillin-resistant <i>Streptococcus</i>	
Bacteremia	77	HIV	103	<i>pneumoniae</i> (PRSP) infection	93
		h-VISA	9	Prevalence, risk factors	1
C				Prolonged fever	103
<i>C. difficile</i> toxin	21	I		<i>Pseudomonas aeruginosa</i>	39
<i>Candida albicans</i>	59	Immunization	133		
Candidemia	59	Intracolonic vancomycin	21	R	
Carbapenem	77	Invasive candidiasis and		Rotaviruses	15
Central nervous system		epidemiology	59		
tuberculosis	71			S	
<i>Clostridium difficile</i>	21			Sandwich ELISA	15
Colitis	21	L		Seizures	27
Corticosteroid	27	Levofloxacin	121	<i>Staphylococcus aureus</i>	9
				Surveillance	9
		M			
D		Melioidosis	45	T	
Diabetes	45	MRSA	9	Travel medicine	133
Disseminated septicemic		Multi-drug resistance	39	Traveler	133
infection	45	Multidrug-resistant	77	Trend, prevalence	111
		Mycobacterial brain abscess	71	Tuberculoma	71
E		Mycobacterial infections	103	Tuberculosis	127
Endophthalmitis	53	<i>Mycobacterium avium</i>		Tuberculous brain abscess	71
Enzyme-linked		complex	103		
immuno-electrotransfer blot				U	
assay (EITB)	27	N		Urinary tract infection	77
Enzyme-linked immunosorbent		Neonatal septicemia	39		
assay (ELISA)	27	Neurocysticercosis	27	V	
Epidemiology, prevalence	115	Non- <i>albicans</i> <i>Candida</i>	59	Vaccine	133
ESBL	121	Nosocomial pneumonia	77	Vancomycin	9
ESBL-producing <i>E. coli</i>	121				
ESBL-producing					

ACKNOWLEDGEMENT

Followings are names of reviewers contributing to our journal, year 2005:

Anucha Apisarnthanarak	Chitsanu Pancharoen
Danabhand Phiboonbanakit	Donna M. Robinson
Henry Wilde	Kammant Phanthumchinda
Khuanchai Supparatpinyo	Kulkanya Chokephaibulkit
Kumthorn Malathum	Malai Vorachit
Melanie Petros	Margaret Hogan
Pantip Chayakul	Pilaipan Puthavathana
Piroon Mootsikapan	Ploenchan Chetchotisakd
Sasisopin Kiertiburanakul	Somchai Leelakusolvong
Somnuek Sungkanuparph	Suwanna Trakulsomboon
Tawesak Tanwandee	Vipada Chaowagul
Voranush Chongsrisawat	Wanchai Buppanharun
Watcharasak Chotiyatutta	Woraphot Tantisiriwat
