## JOIN US | 14-15 JUNE 2021

The Asia-Pacific HIV Clinical Forum 2021 provides a scientific program involving the world's leading experts and is specifically designed for Asian-Pacific HIV healthcare professionals and focuses on optimizing treatment for their patients. This is the official pre-event to Asia Pacific AIDS & Co-infections Conference (APACC) 2021.

Registration fees are waived for healthcare professionals, public health workers, and researchers who provide care for people living with HIV, and others from related disciplines.
